MODERN LAMINATES *for* ARCHITECT & INTERIOR

Lemore laminates bring fresh style to modern designs. They offer realistic wood looks and sleek metals that fit any space. Easy to clean and strong, they last long without fading. Architects love how they mix bold colors with everyday use.

These laminates are green and safe for homes or offices. Antimicrobial surfaces keep germs away in busy areas. Light and flexible, they shape into curves or flat panels fast. Choose Lemore for smart, stylish interiors that save time and money.

Grades : General

Types : Standard, post forming, compact, cabinet liners, backer

Size : 2440 mm x 1220 mm [8x4']

Thicknesses : 1.00 mm [other thickness available on request]

LEMORE Highlight :100% Quality design paper from world best decorative paper manufacturer, We are using best quality kraft paper, 100 % Melamine resin and 100 % phenolic resin. Use of best chemical raw materials for better flexibility & durability. PP warpping film for surface protection till completion of furnishing work for P.G.

Care & Maintenance : Cleaning should be carried out with a soft moist cloth and warm soap solution. Do not use detergents containing abrasive particle or excess soda.

Disclaimer : Customers are advised to reconfirm selected laminate when placing orders as our liability does not include claims arising from sample chip pasting error. Samples presented are indicative of colour, pattern and surface finish but not of actual thicknesses. All metallic patterns series recommended for vertical application only. Information
